Do I need a visa?

Canadian visa requirements vary by country of citizenship. Citizens of the United States, most European countries, Australia, Japan, Korea, New Zealand, and Taiwan do not need a visa to enter Canada. To determine whether you need a visa, visit the [website of the Government of Canada](#).

If you need a visa, you should contact the Canadian Embassy or Consulate serving your country or area. To find it, visit the [Immigration, Refugees, and Citizen ship Canada website](#).

When should I apply for a visa?

Processing times vary by country. It is recommended that you contact the embassy or consulate serving your region as early as possible.

What do I need to apply for a visa?

Requirements vary by country, so be sure to follow the application instructions provided by the consulate or embassy serving your region. If the visa process requires a personal interview, take your registration confirmation, hotel confirmation, and letter of invitation to the interview, along with all other requested documents. You are responsible for all fees and expenses associated with obtaining a visa. What if my visa request is denied?

If your request for a visa is denied, you may cancel your conference reservation and request a full refund. Send your request to Conference Chair at johnlanderson@telus.net. You must submit your cancellation request by February 9 2018. Please refer to the convention registration form for the full cancellation policy.

Can Rotary help me get a visa?

Rotary's involvement in the visa process is limited to providing a registration confirmation and a letter of invitation, and regularly providing the Canadian Government with a list of convention registrants. The visa consular has sole discretion in determining who receives a visa.
